- (b) the Board be authorized to do all such deeds, acts, matters and business necessary or desirable for the purpose of or in connection with the exercise of the general mandate to repurchase H Shares, including but not limited to amendments to the Articles of Association and the cancellation of the repurchased H Shares after such general mandate has been exercised.

The Company Law of the PRC (to which the Company is subject) provides that a joint stock limited company incorporated in the PRC may not repurchase its shares unless such repurchase is effected for (a) reducing its share capital; (b) a merger with another entity that holds the shares of the Company; (c) granting shares for the employee stock ownership plan or share incentive; (d) the repurchase is made at the request of its shareholders who disagree with shareholders' resolutions in connection with merger or division of the company; (e) the repurchased shares are used for the corporate bonds convertible into shares of the listed company; or (f) the repurchase is necessary for maintaining the value of the listed company and the interests of its shareholders. The Articles of Association provide that, subject to obtaining the approval of the relevant regulatory authorities and complying with the Articles of Association, share repurchase may be effected by the Company for the reduction of its share capital, a merger between itself and another entity that holds its shares, the employee stock ownership plan or share incentive, the request of its shareholders who disagree with shareholders' resolutions in connection with merger or division of the company, the conversion of convertible corporate bonds issued by the listed company, maintenance of the value of the company and the interests of its shareholders, or in circumstances permitted by law or administrative regulations.

The Listing Rules permit shareholders of a PRC joint stock limited company to grant a general mandate to the Board to repurchase H shares of such company that is listed on the Stock Exchange. Such Repurchase Mandate is required to be given by way of a special resolution passed by shareholders at the AGM and special resolutions passed by holders of domestic shares and holders of H shares in separate class meetings.

As the H Shares are traded on the Stock Exchange in Hong Kong Dollars and the price payable by the Company for any repurchase of H Shares will, therefore, be paid in Hong Kong Dollars, the approvals of SAFE and other relevant government authorities are required for any repurchase of H Shares.

LETTER FROM THE BOARD

In accordance with the requirements of the Articles of Association applicable to capital reduction, if the Company reduces its registered capital, a balance sheet and an inventory of assets should be prepared. Prior to exercising the Repurchase Mandate, the Company will have to notify its creditors in writing of the passing of such special resolutions and the possible reduction of the registered capital of the Company. The Company shall notify its creditors within 10 days after the passing of such special resolutions and also by way of publication of announcement in newspaper within 30 days after the passing of such special resolutions. Creditors then have a period of up to 30 days after the Company's written notification or if no such notification has been received, up to 45 days after the first publication of the newspaper announcement to require the Company to repay amounts due to them or to provide guarantees in respect of such amounts.

B. Conditions precedent

The repurchase is conditional upon satisfaction of each of the following condition:

- (a) the special resolutions regarding the grant of the Repurchase Mandate having been approved at the AGM and the Class Meetings;
- (b) the Company having obtained the approval from and/or filed to the SAFE (or its successor authority) and/or any other regulatory authorities (if applicable) as may stipulated under the PRC laws, rules and regulations; and
- (c) the Company has not being required by any of its creditors to repay or to provide guarantee in respect of any amount due to any of them (or if the Company is so required by any of its creditors, the Company having, in its absolute discretion, repaid or provided guarantee in respect of such amount) pursuant to the provisions of the Articles of Association. If the Company determines to repay any amount to any of its creditors in circumstances described under conditions above, it expects to do so out of its internal resources. The Board will not exercise the Repurchase Mandate if the abovementioned conditions are not satisfied.

C. Term of the mandate

The term of the Repurchase Mandate shall commence from consideration and approval at the AGM and Class Meetings until the following dates (whichever is earlier):

- (a) the conclusion of the next annual general meeting of the Company of which time it shall lapse unless, by special resolutions passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or

LETTER FROM THE BOARD

- (b) the revocation or variation of the Repurchase Mandate under the resolution by a special resolution at the next general meeting of the Company.

歸創通橋醫療科技股份有限公司

Dr. Jonathon Zhong Zhao

Chairman and Executive Director

The following is an explanatory statement, as required by the Listing Rules, to provide you with the requisite information for your consideration of the Repurchase Mandate.

I. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 324,619,744 H Shares and 7,781,257 Domestic Shares with a nominal value of RMB1.00 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the AGM, the Company may repurchase pursuant to the Repurchase Mandate a maximum of 32,461,974 H Shares which represent 10% of the total number of H Shares in issue as at the date of passing of the relevant resolution at the AGM.

II. REASONS AND FUNDING OF THE REPURCHASE OF SHARES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its H Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable PRC laws and regulations. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for under the PRC laws.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the Repurchase Mandate were to be exercised in full at the current prevailing market value, it may not have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2021, being the date to which the latest published audited consolidated financial statements of the Company were made up. The number of H Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining and in the best interest of the Company.

III. GENERAL

To the best of their knowledge and belief, having made all reasonable enquiries, none of the Directors or any of their close associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if the same is approved by the Shareholders and is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable PRC laws and regulations.

No core connected person, as defined in the Listing Rules, has notified the Company that he/she/it has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is granted by the Shareholders at the AGM.

IV. TAKEOVERS CODE

If as a result of a repurchase of Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as disclosed below, the Directors are not aware of any consequences which would arise under the Takeover Codes as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

Pursuant to a concert party agreement dated January 21, 2021 (the “**Concert Parties Agreement**”) entered into by and between, among others, Dr. Jonathon Zhong Zhao (趙中), Dr. Shengping Sam Zhong (鍾生平), Dr. Zheng Li (李崢), Ms. Na Wei (衛娜), Zhuhai Tongqiao Investment Center (Limited Partnership) (珠海通橋投資中心(有限合夥)), Hangzhou Fujiang Investment Partnership (Limited Partnership) (杭州涪江投資合夥企業(有限合夥)), Zhuhai Guichuang Equity Investment Center (Limited Partnership) (珠海歸創股權投資中心(有限合夥)), Huzhou Guiqiao Enterprise Management Partnership (Limited Partnership) (湖州歸橋企業管理合夥企業(有限合夥)), WEA Enterprises, LLC and Huzhou Yuyihui Investment Partnership (Limited Partnership) (湖州語意慧投資合夥企業(有限合夥)) (formerly known as Nanjing Yuyihui Investment Partnership (Limited Partnership) (南京語意慧投資合夥企業(有限合夥)) (each, a “**Concert Party**” and together, the “**Concert Parties Group**”), the Concert Parties agreed to act in concert to control the decision-making and operation management of the Company at Board meetings and Shareholders' meetings with effect from the date of the Concert Parties Agreement. In the event that they fail to reach such consensus, each of the Concert Parties shall exercise their

respective voting rights in accordance with the instructions of Dr. Jonathon Zhong Zhao. Therefore, under the SFO, in addition to their respective direct shareholding or interest in controlled corporations, each Concert Party is also deemed to be interested in the interest of the other Concert Parties. As at the Latest Practicable Date, the Concert Parties Group is deemed to be interested in 97,693,919 Shares, representing approximately 29.39% of the total issued share capital of the Company.

In the event that the Directors exercise the Repurchase Mandate in full, the shareholding of the Concert Parties Group will increase to approximately 32.57% of the total issued share capital of the Company. To the best knowledge and belief of the Directors, such increase will give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent that will trigger the obligations under the Takeovers Code.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the repurchase would result in less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital being held in public hands. The Directors do not propose to repurchase Shares which would result in the number of Shares in public hands falling below the prescribed minimum percentage of 25%.

V. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on the Stock Exchange or otherwise) has been made by the Company in the six months preceding the Latest Practicable Date.

VI. SHARE PRICES

The highest and lowest traded prices for the Shares recorded on the Stock Exchange during each of the months from the Listing Date up to the Latest Practicable Date were as follows:
